!!!SEE YOU THERE!

OUR GENERAL MEMBERSHIP MEETING to elect 8 new board members will be held Tuesday, March 22, 7:30 pm, at the Luthern Church rooms in the Bellamah Office Building (corner of Montano and Taylor Ranch Road).

We often hear comments that the board does not reflect the opinions of the general members. Try to attend this important meeting so we can have your input on: 1) who makes up the Board of Directors; 2) the budget for the year; and 3) issues such as bridges and the just released, revised Coors Corridor Study. Hal Stratton, State Representative, will be there to listen to your opinions.

We will also discuss the Easter Egg Hunt and other social issues in the community. See you on Tuesday the 22nd.

Again our thanks to our City Councillor Pat Baca and our hard working Board member Dale Dunn for seeing that the City Council passed dust control regulations. These new regulations establish three important points: 1) development can create a dust problem; 2) whoever creates the problem must take care of it; and 3) the City will have a specific place where dust control will be handled.

Now Pat Baca will have to write an ordinance spelling out measures to be taken to control dust and penalties for non-compliance. We are 100% behind him. We have a new dust "bowl" in our midst right now at the AMAFC Drainage Pond (On Taylor Ranch Road).

The Sierra Vista West Swim & Tennis Club will hold a FREE tennis clinic in the near future. It is designed primarily for novice or rusty players. For more information, call them at 897-0670.

Your Board of Directors voted that anyone wishing to place a yearly ad in our newsletter will pay only \$45 per year rather than \$60.

The City has designated Saturday, April 16, as cleanup day. If any area residents or groups want to get involved, please call Ellen (898-4450) or Wheeler (897-4525).

"Yes, Virginia,"...there will be a new fire house in Taylor Ranch someday. It's been so long since the bond issue approved funds we thought they had forgotten. But no, a call from the City assured us that the plans will soon be completed and Ellen will get to look them over and have some input on the 1% for art that will be incorporated into the design. If anyone else has any special reason for wishing some input on this please call Ellen (898-4450). The art work will be decided via a state wide competition
